SilverLakes Security Committee Report for Jul 1, 2013 – Sep30, 2013

II. Activities

- a. Towing signs at entrances to some communities might not meet current FL statutes.

Status: SL Attorney reviewed the existing statutes and reported at the September 16th BoD meeting that signs are in compliance.

- b. As a possible alternative to towing, a request was made on June 18th to meet with Premier Booting Services.

Status: Met with Premier, as well as, Parking Network Strategies, on July 2nd. Received the ok from the SL Attorney, that services can be utilized, if deemed appropriate. Will prepare a meeting with SC for review.

- c. The Island Park entrance requires modification to minimize trespassing.

Status: This entrance, adjacent to a park managed by Miramar, might require a study (new gate, gate modification, site modification, etc.) to minimize trespassing. At the SL BoD April 8th Meeting, the SL Attorney was requested to review ownership of gate to determine how to next proceed; feedback at September 16th meeting was that gate is owned by the City of Miramar.

- d. Some Community Presidents were not receiving FPI Incident Reports.

Status: The two Presidents are now receiving these reports. FPI programs their software with the names PPM provides and these two names were incorrect on FPI's program (one had been changed, but not sent to FPI). Should someone not be receiving these reports, make sure the respective PPM manager sends FPI the correct email address.

III. Future Activities

- a. Follow-up:

- Prepare presentation for SC review of Premier Booting Services.
- Ask Corey (Miramar PD) for Miramar contact name to discuss Island Park gate.

- b. New Requests:

- N/A.
