SilverLakes Security Committee Report for Jan 1, 2013 – Mar 31, 2013

II. Activities

- a. Towing signs at entrances to some communities might not meet current FL statutes.

Status: An FPI officer, a former Hialeah officer in charge of sign compliance, mentioned at one of the SC meetings that the existing towing signs might not meet current statutes. At the Nov. 13th BoD meeting, the BoD requested that the SL Attorney review the existing statutes and report at the next BoD meeting. No feedback to date.

- b. At the SL BoD Meeting of April 8th, Vicki Minnaugh reported that a group from The Isles is working with Pembroke Pines to have traffic signals installed north of The Isles entrance to alleviate speeding in that area, which, in the last 2 years, has been the site of numerous accidents.

Status: SL BoD approved funds to remove plants, after which, at no cost, the traffic signals will be installed; tentative completion date of end of 2Q.

- c. The Island Park entrance requires modification to minimize trespassing.

Status: This entrance, adjacent to a park managed by Miramar, will require a study (new gate, gate modification, site modification, etc.) to minimize trespassing. At the SL BoD April 8th Meeting, the SL Attorney was requested to review ownership of gate to determine how to next proceed.

III. Future Activities

- a. Follow-up:

- N/A.

- b. New Requests:

- Ray Whittier requested a determination of FPI coverage during school vacations. The schedule will be looked at this week (April 15th) to determine how much time is needed and how much time is available from FPI.
