## II. Activities

- a. As a possible alternative to towing, a request was made on June 18<sup>th</sup> to meet with Premier Booting Services.

Status: Met with Premier, as well as, Parking Network Strategies, on July 2<sup>nd</sup>. Received the ok from the SL Attorney that services can be utilized, if deemed appropriate. Was going to prepare a meeting with SC for review, but will determine next actions after Parking Committee meetings in case current Parking Regulations require modification.

- b. The Island Park entrance requires modification to minimize trespassing.

Status: This entrance, adjacent to a park managed by Miramar, might require a study (new gate, gate modification, site modification, etc.) to minimize trespassing. At the SL BoD April 8<sup>th</sup> Meeting, the SL Attorney was requested to review ownership of gate to determine how to next proceed; feedback at September 16<sup>th</sup> meeting was that gate is owned by the City of Miramar. Need representative from SL/Miramar to identify current concerns.

## III. Future Activities

- a. Follow-up:

- Ask Corey (Miramar PD) for Miramar contact name to discuss Island Park gate, after identifying SL/Miramar representative.

- b. New Requests:

- Daron Fitch is holding meeting with a new group on 13Jan to discuss current Parking concerns.
