SilverLakes Security Committee Report for Jul 1, 2012 – Sep 30, 2012

II. Activities

a. On 23Mar11, SC requested PPM/BoD to update Silverlakes website.

- On "Emergency Links" correct Miramar PD and Pembroke Pines PD addresses and phone numbers were changed

Status: Complete.

b. Robert Garcia was to write proposal and send to Commissioner Castillo for request to expand lanes, north and south, for intersection at 178th Ave. and Pines Blvd. (SC Meeting, Aug11).

Status: On-going. Commissioner Siple contacted Broward County (Nov11), proposal was under review, denied, and Ms Siple has pursued an additional avenue and will update the SC. No change.

c. SL BoD has requested the SL SC to draft regulations to prohibit unauthorized recyclers from entering SL during Bulk Pickup days.

Status: No feedback from BoD (willing to spend \$140K+/year).

d. In July, FPI notified us that a new system would replace existing Incident Report system as of August 1st.

Status: Began receiving Incident Reports from new system. The same Incident Reports sent to the community presidents will be sent for the SC quarterly reports. Still early to tell, but, so far, much less data has been available for the data analysis.

III. Future Activities

a. Follow-up:

- Towing signs at entrances to some communities might not meet current FL statutes; no updates from BoD.

b. New Requests:

- Though not in the realm of the Security Committee, it has been reported that groups using the pavilion at Community Park on Saturday have left trash behind, which is present for those who use the pavilion on Sunday. There is nobody picking up the trash over the weekends.

Status: Reporting the situation for BoD/PPM to resolve.
