SilverLakes Security Committee Report for Oct 1, 2012 – Dec 31, 2012

II. Activities

- a. Robert Garcia was to write proposal and send to Commissioner Castillo for request to expand lanes, north and south, for intersection at 178th Ave. and Pines Blvd. (SC Meeting, Aug11).

Status: Commissioner Siple contacted Broward County (Nov11), proposal was under review, denied, and Ms Siple has pursued an additional avenue and will update the SC.

This past quarter, I observed a county vehicle working on the lights at this intersection, though I don't know if the work was related to this request. Since this work was completed, I've made it a point to audit the traffic flow and there seems that the situation has been resolved. I observed traffic in the morning, the afternoon, during the week and during the weekend, and no vehicles have been left in the left lane after the light turned red. Unless this situation changes, I'll consider this closed.

- b. SL BoD has requested the SL SC to draft regulations to prohibit unauthorized recyclers from entering SL during Bulk Pickup days.

Status: After the BoD meeting of Nov. 13th, the BoD determined that the \$140K+/year is not warranted and the regulations will not be pursued.

- c. Towing signs at entrances to some communities might not meet current FL statutes.

Status: An FPI officer, a former Hialeah officer in charge of sign compliance, mentioned at one of the SC meetings that the existing towing signs might not meet current statutes. At the Nov. 13th BoD meeting, the BoD requested that the SL Attorney review the existing statutes and report at the next BoD meeting.

III. Future Activities

- a. Follow-up:

- N/A.

- b. New Requests:

- N/A.
