SilverLakes Security Committee Report for Oct1, 2013 – Dec31, 2013

II. Activities

- a. As a possible alternative to towing, a request was made on June 18th to meet with Premier Booting Services.

Status: Met with Premier, as well as, Parking Network Strategies, on July 2nd. Received the ok from the SL Attorney that services can be utilized, if deemed appropriate. Was going to prepare a meeting with SC for review, but will determine next actions after Parking Committee meetings in case current Parking Regulations require modification.

- b. The Island Park entrance requires modification to minimize trespassing.

Status: This entrance, adjacent to a park managed by Miramar, might require a study (new gate, gate modification, site modification, etc.) to minimize trespassing. At the SL BoD April 8th Meeting, the SL Attorney was requested to review ownership of gate to determine how to next proceed; feedback at September 16th meeting was that gate is owned by the City of Miramar. Need representative from SL/Miramar to identify current concerns.

III. Future Activities

- a. Follow-up:

- Ask Corey (Miramar PD) for Miramar contact name to discuss Island Park gate, after identifying SL/Miramar representative.

- b. New Requests:

- Daron Fitch is holding meeting with a new group on 13Jan to discuss current Parking concerns.
