II. Activities

- a. The Pembroke Pines crime stats, as reported on 'RaidsOnLine,' are not available.

Status: Normally, the stats are compiled each week, then each month Pines PD sends a separate report to compare. Should something occur during the month, "RaidsOnLine" is used as initial research in order to minimize tying up PD resources for information. Two such instances occurred during March, but didn't show up on "RaidsOnLine." I contacted Liliana Guadalupe on March 13th, who responded that a new records management system is in the process of being phased-in and we would be notified when 'RaidsOnLine' will be connected.

On Thursday, October 15th, I received an email from Ms. Guadalupe stating that the website was now operational. I confirmed this and now utilize the data when compiling the crime stats.

III. Future Activities

- a. Follow-up:
 - N/A.
- b. New Requests:
 - N/A.
