SilverLakes Security Committee Report for Apr1, 2015 – Jun30, 2015

II. Activities

- a. The Pembroke Pines crime stats, as reported on 'RaidsOnLine,' are not available.

Status: Normally, the stats are compiled each week, then each month Pines PD sends a separate report to compare. Should something occur during the month, "RaidsOnLine" is used as initial research in order to minimize tying up PD resources for information. Two such instances occurred during March, but didn't show up on "RaidsOnLine." I contacted Liliana Guadalupe on March 13th, who responded that a new records management system is in the process of being phased-in and we would be notified when 'RaidsOnLine' will be connected.

No change.

- b. At the March 16th Board of Directors' meeting, Corey (Miramar PD) presented a product called 'SMARTWATER,' which is used to 'mark' personal property in order to later identify if the property is stolen. This product cannot be seen, unless special tools are used. Miramar PD endorsed this product and will make the product available for Miramar residents.

The question was asked if Pines PD recommends this product, but there wasn't a Pines PD rep. present.

Status: I asked Capt. Stasio, who said that there were several products available for this purpose, but Pines PD doesn't recommend one over the other. Capt. Stasio was to talk to this at the next Board of Directors' meeting, but was unable to attend.

III. Future Activities

- a. Follow-up:

- N/A.

- b. New Requests:

- N/A.
